a healthier diet with konjac

Sichuan Sentaiyuan Biotechnology Co., Ltd.

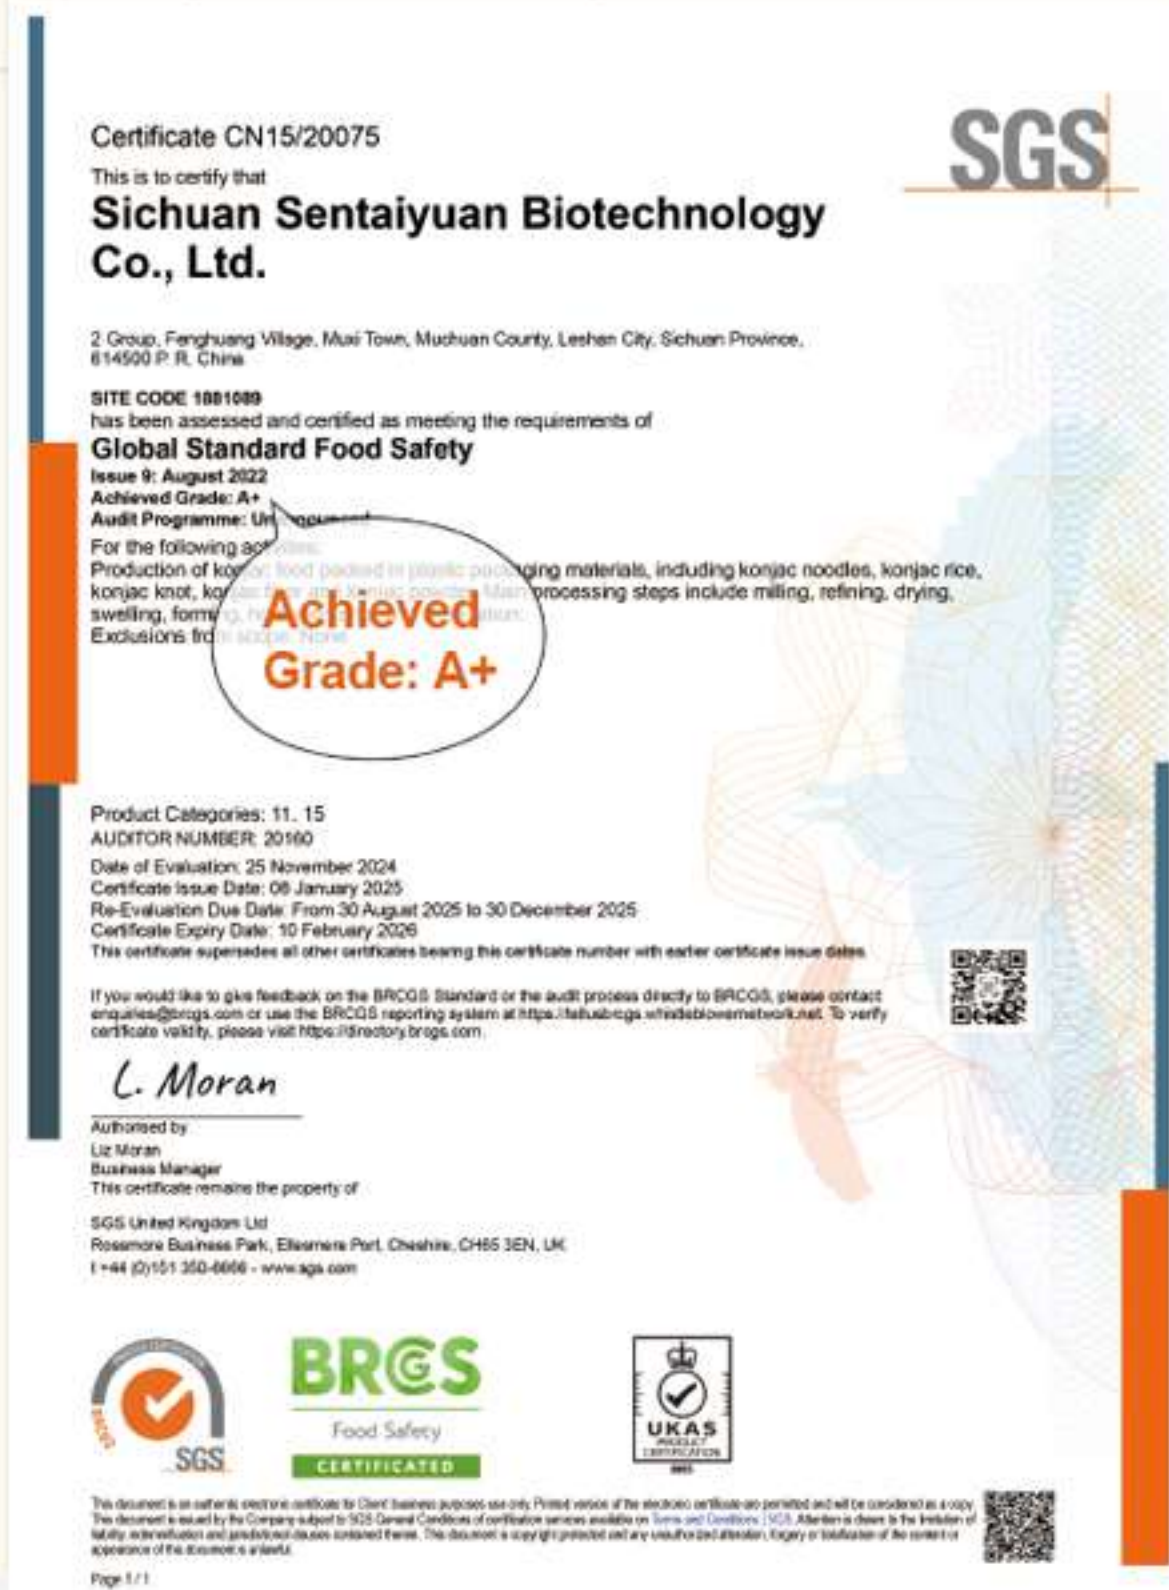

About Us

Sentaiyuan Biotechnology Co., Ltd. is a leading manufacturer located in Sichuan offering an extensive range of healthy, natural konjac products. **We are the only manufacturer in China who obtains organic certificates for both konjac products and planting base.** All our products are GMO free and allergen free and its associated facilities are **BRC (Grade A+)** and **IFS (Higher Level)** certified. We closely work together with our customers to deliver innovative solution to their specific needs for their product development and applications.
