VERDANT PARADISE OF KONJAC

Welcome to the enchanting world of konjac, where the lush banks of the Jinsha River provide the ideal conditions for this incredible plant to flourish. Nestled at 28°N and 103°E, our konjac place of origin enjoys an unparalleled environment that allows the plant to grow and thrive, offering unmatched quality and taste.

Optimal sunlight
duration

Abundant rainfall

Balanced ecosystem

Nutrient-rich soil

In the heart of the Jinsha River, where it gently flows, the konjac thrives in sunlight's embrace and a harmonious climate. Fertile soil and preserved ecosystems ensure this land's enduring enchantment, nurturing the konjac's unique essence for generations to come.

MAGICAL KONJAC FROM THE EAST

Konjac is a food that contains no fat, gluten, starch, or protein.
It has low carbohydrate content, high in dietary fiber, sugar free, therefore ideal for a healthy diet.

HEALTH BENEFITS

- ✔ Protect the stomach
- ✔ Promote digestion

Konjac food is a great source of dietary fiber, which can protect and promote the health of your stomach and digestive system. The high fiber content also helps to keep you feeling full and satisfied.

WEIGHT MANAGEMENT

- ✔ Low calories
- ✔ Weight loss
- ✔ Low carb
- ✔ Increase satiety

If you're looking to manage your weight, konjac food can be a great addition to your diet. With low calories and carbs, it can help you achieve weight loss goals while also keeping you feeling full and satisfied.

BLOOD SUGAR CONTROL

- ✔ Sugar-free
- ✔ Lower blood sugar

For those with concerns about blood sugar levels, konjac food is a great option. It's sugar-free and can help to lower blood sugar levels, making it a healthy choice for those with diabetes or other blood sugar-related conditions.

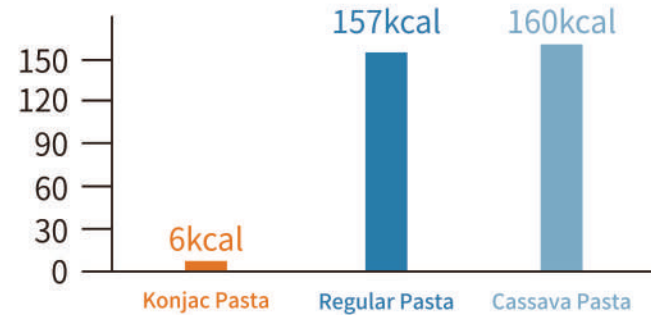

CHOLESTEROL REDUCTION

- ✔ Rich in fiber
- ✔ Reduce cholesterol

With its high fiber content, konjac food can help to reduce cholesterol levels, making it a great choice for those looking to improve their heart health. Its low-calorie and low-carb properties also make it a smart choice for overall health and wellness.
